Off-Road Vehicles

Bill Schmidt received information from the Village's attorney giving us a couple options regarding the use of off-road vehicles on village streets. It could be handled by a resolution or an ordinance. After discussing and listening to comments from village residents attending the meeting it was decided to form a committee to review the information received from our lawyer and proceed with a possible proposed ordinance. The committee members include Bill Schmidt, Mitch Leiby, Joe Bennett, Village residents Amanda VanEtten and Sara Martens.

Motion made by Bill Schmidt to come out of special meeting. 2nd by Paul Sorah. Motion carried.
