Brush & Leaf Pickup — Debris, Rubbish & Junk Cars in Yards

The Village offers Brush & Leaf Pickup Service. **PLEASE DO NOT BURN ITEMS WITHIN THE VILLAGE LIMITS.** There are a few request to make the entire process work smoothly.

Brush Pickup is scheduled for each Wednesday. If you put out grass clippings they either must be in a biodegradable bag or in a container that is easily emptied. Please do not overload these bags & containers the Village DPW reserves the right to not pickup any items that are deemed excessively heavy. Any Brush should be separated from leaves and/or grass.

Please remember that the Village

currently has Ordinances that address situations on any trash, rubbish, junk cars (CARS MUST BE LICENSED & INSURED) or other nuisance items on any property in the Village. We are asking that you please remove any of these items, clean up your property and try to maintain it. This does include picking up any newspapers or debris from your yard also. We do have Village Trash Service that is included in your quarterly Utility bill with the Village.
